I have the honour to state that the Jagalur Minor Municipal council at its meeting held on 30 9 1948 has approved the resolution of the Standing Committee for the supervision of the octroi, in the matter of levying octroi on coffee seeds, coffee-powder, Electric Materials and Cement

In accordance with the resolution of the Municipal council, objections were called for by the President on 29 11 48 fixing 31 12 48 as the last date for the receipt of objections One clear month has been allowed for the receipt of the objections It is seen from the records that only one objection from certain merchants and the public was received wherein it is stated that in view of the town people being mostly agriculturists and petty dealers in small goods, the levy of octroi on the coffee powder, coffee seeds electric goods and cement might be deferred The council, after careful consideration of the objections has decided to obtain sanction to the levy of the octroi on these articles with a view to improving the financial ~~situation~~ condition of the municipality

In view of the fact that the financial position of the municipality will have to be improved to enable it to meet the other demands of the towns people such as drainage, etc, I request you kindly to obtain early sanction of Government to the resolution of the municipal council for the levy of octroi on coffee seeds, coffee powder and electric goods at the rate of 0-0-3 in the value of the goods, and at 0-0-4 for each one rupee worth of cement brought andsold within the municipal area of Jagalur The connected papers accompany for reference
